

Criminal Law Red Deer

Criminal Law Red Deer - Our lawyers, patent agents, and trade-mark agents have extensive knowledge in an array of problems concerning intellectual property. In particular, our lawyers are skilled in helping clients draft applications and in developing intellectual property methods and helping our clients to draft applications.

Our law office has over 30 years of experience, and our senior lawyer are well-known for their expertise and skill in handling intellectual property rights. We have slowly expanded our company over seas, to guarantee that both our Canadian and international clients have the right access to intellectual property protection.

Intellectual property is very valuable in a knowledge based economy, specially since the world in always in a state of transformation. By making use of our company and our lawyer's innovative legal advice, our clients can realize the full potential of their intellectual property. Our suggestion even helps protect them against counterfeiting, competition and infringement.

We have numerous professionals in our intellectual property Team, including professional engineers, scientists and PhDs who are leaders in trade-marks, patents, copyright, industrial design, and intellectual property agreements and disputes.

We make certain that each of our clients is matched with a registered patent and trade-mark agent in order to help guarantee that their intellectual property is well protected.
