

Best Criminal Lawyer in Red Deer

Best Criminal Lawyer in Red Deer - Our Mergers and Acquisitions Group comprises multi-disciplinary and multi-jurisdictional lawyers offering expert recommendation regarding all types of M&A transactions, from inception to post-closing integration. Our lawyers have the knowledge and practical experience needed to handle the complex area of mergers and acquisitions from our offices all over the nation. Our professionals have understanding of important industry sectors - Automotive, E-commerce, Mining, Oil and Gas, Clean Tech, Telecommunications, Technology, Manufacturing, Financial and banking Services, Real Estate, Transportation, Hospitality and Insurance - as well as expertise in global and local M&A transactions. Our M&A members maintain strong relationships along with regulators and have in-depth understanding of the legislative and regulatory realm.

The clients who seek out our skill in all areas of mergers and acquisitions consists of various major domestic and international corporations, controlling shareholders, emerging companies, entrepreneurs, financial institutions, governmental entities, privately held companies, public companies, private equity firms, special committees and board of directors, and management buy-out groups.

To begin whatever work, our M&A group starts with gaining an understanding of our client's business goals and needs. Prior to whatever restructuring, structuring, negotiating, and completing the transaction, we need to expertly allocate and identify whatever risks. Our strategic and focused approach applies to deals of whatever difficulty and size. We deal with every situation with dedication to excellence. Our aim is to effectively devise innovative deals and taxation structures which would exceed and meet client expectations.

Specialized knowledge of the varied and complex regulatory and legal environment around M&A transactions is vital to the success of any endeavour. That is why our M&A Group works closely with our company's professionals in tax, competition/antitrust, foreign investment, employment and labour, pensions and benefits, financing, intellectual property, real estate, environmental, government relations, international trade and customs, and business immigration. When required, we provide extensive restructuring and insolvency skills so as to resolve challenges faced by distressed targets. Whenever hostile situations connected to securities litigation matters or regulatory hearings happen, clients could count on our company's experienced litigation team.

By way of take-over bids, and amalgamations and plans of arrangement, we conduct privately negotiated purchases of shares or assets, public company mergers and acquisitions. From the preliminary stages of a transaction through to post-closing issues, our Private M&A and Public M&A lawyers provide our clientele with benefits with comprehensive and strategic recommendation. Our aim is to provide solutions-driven transactional services in a reasonable and innovative way to reach your business objectives.
