

Red Deer Accident Lawyers

Red Deer Accident Lawyers - Our insurance experts act in the interests of the insurance industry in a broad range of concerns. These include defense of officers, professionals and directors; fire litigation, product liability claims, personal injury claims, class actions and subrogated actions. We offer the insurance industry with legal counsel at all levels of the Courts and have helped insurers in policy wordings.

We act in a broad range of property and casualty claims on behalf of private insurers and Insurance Corporations. Our goal is to offer clients with reasonable solutions to insurance claims.

We offer corporate recommendation to insurers. Our long-standing relationships with many domestic and worldwide insurance market insurers enable us to provide the insurance industry with expert and cost-efficient counsel.

Professional Liability

For our accountant, engineer and architect clients, we provide assistance in the development of professional liability policy wordings by regarding the coverage and coverage in disputes in these fields.

Municipal Liability

Our partners advise on coverage issues and policy wordings for local government members and their Commissions and Boards, along with providing counsel and coverage issues on their behalf. We likewise act for municipalities in liability actions happening out of fire associated losses and code enforcement.

Directors' and Officers' Liability

Claims against directors and officers are handled quickly and effectively. We have experience handling coverage matters as control counsel for D&O carriers.

Builders' Risk

We offer litigation in problems connected to materials, faulty workmanship, and design exclusion in builders risk policies.

Insurance Fraud

We act for insurers in matters associated to insurance fraud consisting of offering coverage suggestion, defending the denial of fraudulent claims, and advancing claims on behalf of insurers against insureds and third party service providers.

Fire Losses

Our fire loss service is knowledgeable at delivering services in the most effective and focused way in virtually every aspect of fire associated claims. We provide coverage recommendation as well as handle fire litigation from the initial investigation to the case presentation and preparation stages. We represent insurers when claims of bad faith and subrogation impact their direct interests.

Class Actions

Our lawyers have worked on many high profile class action lawsuits comprising insurance issues, product liability and financial services.
