

Patent Agents Red Deer

Patent Agents Red Deer - For our clients, we can provide different services to enable them to efficiently and quickly meet all of their copyright and trademark requirements. Enforcing trademark and copyright rights in trademark opposition proceedings and litigation is one of our firms specialties. What's more, we also help our clients in the legal clearance of trademarks and help guide them during the registration procedure. Our expertise and knowledge enables our clients to understand the full value of the intellectual property and provides them with the resources and information required so as to acquire the required protection.

No matter what the size of the business, we could offer effective and cost efficient solutions to some clients. We provide assistance in the management of a portfolio of intellectual property assets, suggestion about an acquisition or licensing program, or assistance in regulating the uses of trademarks, logos, or slogans in the marketplace. The requirements and goals of our clients is always important and our flexible method makes certain that the demands of the marketplace are met in a timely way.
