

Trademark Lawyers Red Deer

Trademark Lawyers Red Deer - Our lawyers are experienced within Intellectual Property Law and can offer recommendation and assistance with intellectual property enforcement and protection with a goal of assisting our clients to maximize the value of their intellectual property (IP). As among the top intellectual property practices in this country, our clients come to us for our sensible recommendation and skill within the following IP areas: copyright, licensing and IP transactions; industrial designs and patents; internet domain names and trademarks; trade secrets; IP and technology litigations; IP due diligence in corporate transactions; IP portfolio management; freedom to operate opinions (validity, patentability, infringement); integration, procurement and licensing of software applications; and outsourcing of information systems management services.

Our company has a large amount of knowledge in securing and protecting our clientele's' valuable IP assets. We have over 20 IP practitioners: lawyers, trade-mark and patent agents, law clerks and scientific consultants; who are well versed in the disciplines of mathematics, chemistry, biology, physics and engineering. A lot of our professionals have acquired advanced science degrees and strong technical skill, which means they know our client's IP protection requirements.

Amongst our clients, were some of the world's recognized brands. We advise our clients about intellectual property protection, licensing and portfolio management. We also represent start-ups and entrepreneurs.

We know the value of our clients' invention, brands and creative work. Our litigators represent clients in copyright, patent and trade-mark problems before the Federal Court. We likewise appear in mediations, arbitrations and litigations regarding infringement of rights, passing off, contract disputes and misuse of confidential information before Courts of Appeal. Our lawyers also appear before the Trade-marks Opposition Board in respect of opposition and summary expungement proceedings and before arbitration panels in respect of domain name dispute resolution proceedings. Our firm acted as counsel in several of the biggest information systems management outsourcing transactions in this nation.

Our IP Group, draws on knowledge in various fields of our multidisciplinary, large law company. IP lawyers work with lawyers in our commercial, corporate, securities and competition practice areas. Together our team of professionals assists clients with their intellectual property issues, such as the protection of intangible assets through registering trade-marks, copyrights and patents; drafting of confidentiality and non-competition agreements; litigation of intellectual property matters; and development of strategies for IP protection. Our Business Law Group supports the IP Team in the representation of both buyers and sellers in divestitures, mergers and acquisitions of IP businesses.

Our IP team likewise specializes in helping clients in legal problems related to advertising and marketing. We advise our clients on problems related to advertising, packaging and labeling. We likewise assist with privacy related matters, regulatory requirements and franchise and distribution agreements.
