

DUI Lawyer Red Deer

DUI Lawyer Red Deer - Our company's Intellectual Property Law Group understands the meaning of protecting your firm's intellectual property (IP). We help a wide variety of clients in establishing, monitoring, and enforcing their intellectual property rights. With our 30-year history of experience in intellectual property law, our IP Law Group provides responsive, practical and flexible help.

We have an international legal and business network with the resources to advise you and provide services on intellectual property law, whether the origin of your intellectual property is North America or overseas. Using our network of dependable offshore agents, our own group can help process your applications and cases in a more cost-effective and timely way. We provide assistance connected to patents, trademark, copyright, industrial design, licensing and plant breeder's rights.

Our business law lawyers and agents are all registered to practice before the Patent and Trademark Offices to help our clients.
