

Car Accident Lawyers Red Deer

Car Accident Lawyers Red Deer - Class action suits present significant difficulties to businesses, governments as well as various organizations in today's litigious environment. Our teams of lawyers provide the required technical and strategic knowledge required for a successful defense. We are pioneers in this evolving and complicated area of the law. Our ability to manage complex, multi-party litigation is proven by our record in the field of class actions.

We have advised and acted in various high profile class procedures. Our lawyers are often called upon to participate in, lead and coordinate the defense of multi-jurisdictional class procedures. Our experience encompasses mass torts such as products liability cases, pension's claims, other investor's and securities claims, commercial and biotechnology claims.

Our Class Action Team is here to advise clients with respect to class action problems that have not yet matured into issued claims, and our litigators are here to help in responding to class procedures when commenced.

On the subject of class actions, we are considered to be leading educators on the subject. Our firm comprises members who have written articles and presented them at both international and national conferences.
