

Red Deer Real Estate Lawyer

Red Deer Real Estate Lawyer - Our legal group has the extensive experience and skills to handle each and every aspect of commercial real estate. Our litigators have the requisite expertise and knowledge to assist our clients during a multitude of cases. We have built numerous long term relationships with our clients, which include lending institutions, life insurance businesses, crown corporations, various levels of government, land developers, contractors, property managers, asset managers, landlords and tenants.

The portfolio and asset managers and/or legal department of huge corporations rely on members of our real estate group to advise them about the administration, acquisition and development of cross-country real estate portfolios. Interaction between our real estate experts and professionals from other disciplines is common in order to ensure that our clients be given quality service. Amongst the various disciplines consist of merger and acquisition transactions, secured lending transactions, infrastructure and large project financing transactions, and private-public partnerships.

The full service nature of our practice, combined with the experience and expertise of the professionals that work for us, allow us to efficiently and quickly come to a reasonable solution to all of your legal real estate needs.
