

Red Deer Real Estate Lawyers

Red Deer Real Estate Lawyers - Our Real Estate Group is a recognized leader within the development, sale and purchase of real property, leasing transactions and real estate financing. We represent and advise clients in the construction, management and development of residential and commercial condominiums, office buildings, residential rental projects, hotels, shopping centres and retirement homes. Our clients include developers of residential, commercial, industrial and institutional real estate, domestic and international real property investors along with providers of property management, construction services and financing.

We know the political, institutional and policy matters included in structuring and implementing transactions comprising public-private partnerships (P3) for infrastructure. We have represented both public entities and private developers in such transactions.

We even help clients in the procurement, infrastructure and financing planning using a multi-disciplinary approach, which enables our groups of lawyers to make use of all the resources accessible within our own company. We provide our clients various suggestion considered necessary to be successful in real estate joint ventures and reorganizations, financings, syndications, financial workouts and environmental assessments.
