

Law Firm Red Deer

Law Firm Red Deer - Our law company leads the way in the private equity marketplace with extensive involvement in some of the most noteworthy private equity ventures in this nation's history. We work with financial institutions and private equity funds in dispositions and acquisitions of businesses and associated financial transactions. Our team assists private equity fund sponsors in the formation and ongoing maintenance of funds.

We have a wide array of service areas which help to compliment our private equity team. To provide successful private equity investments and management of portfolio businesses, we have gained extensive skill to provide our private equity clients with capital markets, banking, antitrust, mergers and acquisitions, tax, real estate, pensions and benefits, intellectual property, environmental, corporate governance, employment and labour, insolvency and restructuring.

We have built relationships and contacts along with American, Canadian, and worldwide clients active in the private equity market. Our close relationships would help allow us to foresee possibilities and connect our clients to each other for their mutual benefit. Some of these relationships consist of public companies and private companies, leading private equity firms, pension funds, institutional investors, financial institutions, entrepreneurs and venture capital firms. Our private equity clients benefit from the sources of debt financing with which we can connect them. Whenever our clients want to sell or buy businesses, we can introduce them to probable buyers or sellers.

To provide domestic legal suggestion and help with transaction execution, we are frequently called to assist lead counsels in foreign transactions. For whatever cross-border private equity transactions which otherwise have global components, we will regularly collaborate along with worldwide law firms. In overseas or foreign transactions, we work together with top foreign law companies to acquire recommendation concerning foreign legal considerations.
