

Red Deer Tax Lawyer

Red Deer Tax Lawyer - Our practice specializes in dealing with tax disputes and has significant knowledge in tax litigation. Corporations call upon us to assist them in negotiating with the tax authorities. We often represent them before the courts on tax appeals.

Our company is plenty knowledgeable and experienced in income, capital, mining and commodity trade cases and taxation. We use all of our resources that we have on hand to help assure that our client is prepared and ready to handle information requests, audits, reassessment proposals, and voluntary disclosures. Our tax solicitors often call upon our tax litigators early on in order to advise our clients on the tax aspects of a transaction. Should a reassessment be unavoidable, we attempt to solve the dispute utilizing administrative appeals. If this method does not acquire positive results, we attempt to simplify the circumstances prior to beginning the litigation procedure. Our foremost goal is to help our clients come to a resolution quickly and efficiently.

Some of our recent cases have comprised interpretative questions, tax avoidance and transfer pricing. These questions comprise experimental development and scientific research costs, taxable benefits, foreign exchange, and commodity and payroll taxes.

Our base of clients consist of numerous foreign and domestic companies, comprising public institutions and partnerships, tax-exempt corporations, as well as several companies in the fields of telecommunications, financials, pharmaceuticals, and utilities. We ensure that a close working relationship is maintained on both a domestic and international level together with accountants, chief financial officers, tax advisors, and tax executives.
