

Real Estate Lawyers in Red Deer

Real Estate Lawyers in Red Deer - Our company has a broad experience base with our areas of expertise being in local government approvals, commercial leasing and sales, purchasing and financing as well as development projects.

Our firm's client base comprises both international and local clients. These comprise lenders and borrowers, co-operatives, educational institutions, contractors, international and local developers, hospitals, local government, forestry, purchasers and vendors, partnerships and various investment syndications, manufacturers, real estate agents, retail and managers. We have a great deal of skill working on a variety of projects comprising industrial centres and office work to shopping centers and residential estates.

Numerous cities count on our lawyers as their principle advisors. We provide recommendation regarding the options and priorities the city has about real estate expansion and local government regulations. The information we supply is vital to the negotiations between our client and the local government.

Our group will talk to various lawyers in the Tax groups, Environmental, Financial Services and First nations to ensure we are giving accurate recommendation. If any disputes or disagreements arise during the proceedings, we have a selection of mediation, arbitration and litigation lawyers existing to support our clients.

Many our firm's lawyers have received numerous national and local awards for their work. Accuracy, quality and efficiency are just some of qualities represented by our world class group. We utilize all of the resources accessible to us to make certain our clients have all of the support and data they need to take advantage of the real estate market.
