

## Legal Services Red Deer

Legal Services Red Deer - With the large industry of entertainment in North America, there are various of businesses such as federal/provincial agencies, animation houses, banks, actors, directors, writers and service providers.

We advise our several client's within the film and television business on the topics concerning distribution and co-production partners, tax credits and government funding, negotiations with broadcasters, banking transactions, guild and union problems, plus any other financing or production problems they may come across.

In regards to location productions, we offer suggestion concerning withholding tax and film tax credits, investment rules and regulatory requirements, in addition to possible issues connecting guilds and unions in the United States and Canada.

The main focal point of our team of lawyers concentrates on the new media, film and television industries. We work with and are accompanied by various groups including our Intellectual Property, Labour & Employment, and Tax groups. A unique perspective is developed by our head lawyer, who depends upon his entertainment law and securities law skill to provide our clients with brilliant suggestion regarding project-based and corporate funding.
